

Fritz Institute's involvement with humanitarian logistics started with the Humanitarian Logistics Conference (HLC)...

- 2003 Handful of participants
- Fritz Institute works with different agencies to find solutions that:
 - Are relevant across the diverse humanitarian organizations
 - Incorporate different perspectives

- Three recurring themes:
- Professionalization of logistics in the humanitarian sector
 - Increase the level of competence of logistics through training
 - Use of appropriate technology

Complementary Strategy: Organization and Individual

FRITZ INSTITUTE

ORGANIZATION

GOAL:

Ensure Logistics perceived as "Strategic" to organization's success

OBJECTIVES:

- ❑ Provide leadership in bringing about systemic changes
- ❑ Act as an advocate in creating awareness of the critical role of logistics

HLA

INDIVIDUAL

GOAL:

Support Professional Development of humanitarian logistician

OBJECTIVES:

- ❑ Be the leading, independent organization to support the (professional) community of humanitarian logistician
- ❑ Enable logisticians around the world to provide effective humanitarian assistance
